Every Journey begins with...

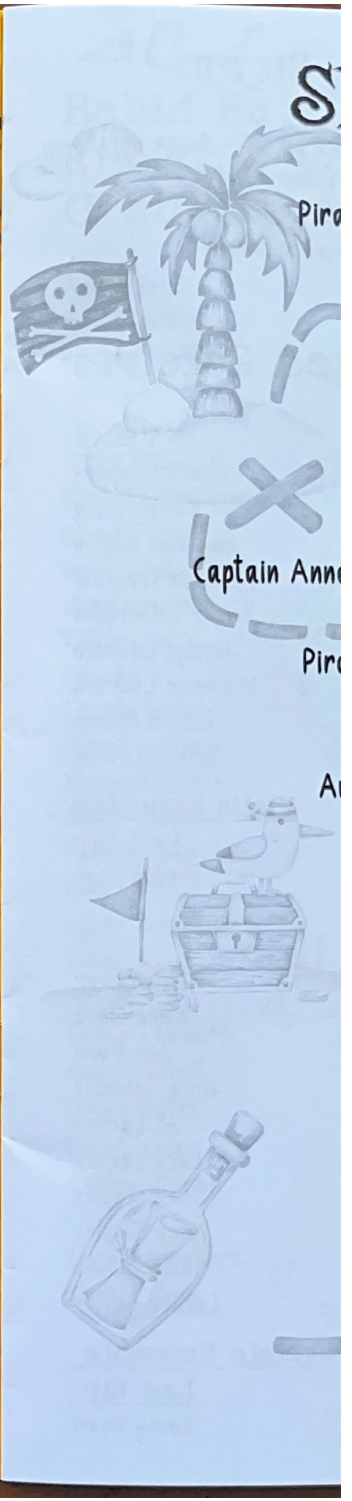

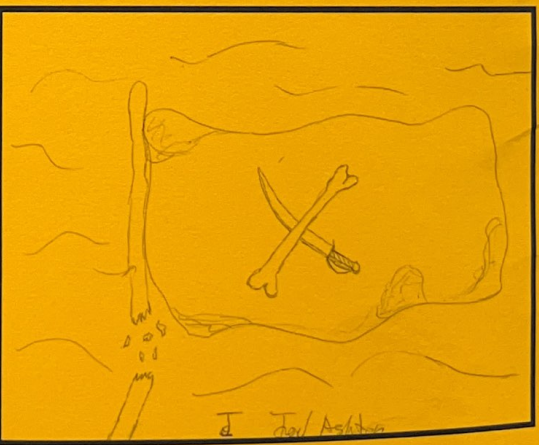

Director's Note

Thank you for supporting Nibley Children's Theatre! We are excited to present to you The Misfit Pirate - an original show written by Emily Rigby. This show marks our 40th Anniversary show as we continue to be the longest running, city-sponsored children's theatre in Utah.

This theatre was started by Jessie Datwyler back in 1983. The first show - The Selfish Giant - was presented right in this very park with a handful of local children. If you have ever had a part in this show, thank you! What an honor it has been to have you be a part of this wonderful legacy!

Please check out the complete list of all our shows over the last 40 years and their directors at the back of this program.

Ahoy!
